I'm afraid that Thursday would be bit tight with [Redacted] only getting back in that day. Let me see if I can make Monday work.

Hi [Redacted]

For a call, the only good day for us this week is Thursday, and next week, it would have to be Monday. Connor and I have all day training next Tuesday, and [Redacted] is out the remainder of next week. A call would be nice, but if we can't fit it in on Thursday or Monday, then I guess it will have to be via email.

Thanks!

Lorie

Thanks, Lorie. We'll take a look at your concerns and get back to you as soon as we can. Please note that [Redacted] our senior tech, is out through tomorrow, so it would be later in the week before we could confer and reply by email. If you think you would like to have a call in addition to (or instead of) an email reply, please let me know. We can make that happen too.
